MEMORANDUM FOR: Deputy to the DCI for the Intelligence Community

FROM : [redacted] 25X1
AC/OPBD/ICS

SUBJECT : FBI Inclusion in the NFIP

1. The attached memorandum from the Director of the Federal Bureau of Investigation states that it is their position that none of the FBI's budget should be included in that of the NFIP. From discussions at the staff level, it is our understanding that the FBI desires to remain a part of the Intelligence Community although not included in the NFIP.

2. Since the EO specifically mentions FBI as part of the Intelligence Community [Sec. 2, para. (b)(6)], it is OPBD's recommendation that the CFI include the funds budgeted for the Intelligence Division of the FBI in the NFIP. Although the FBI states their role in foreign intelligence activities is a supportive one, as a member of the Community their funds should be included in the NFIP for the same rationale under which State, Treasury and ERDA were included.
